

CREATION OF SHARED MEANING

- Cultivating your personal life together with attention and care given to goals and hopes for your future
- This entails a culture of appreciation with symbols and rituals of connection to represent and strengthen your relationship

MAKING LIFE DREAMS COME TRUE

- Honoring your partner's dreams and aiming to help them discover their personal hopes for the future
- Allowing enough space in the relationship for all dreams to play a part in the relational life story

CREATE SPACE FOR THE INDIVIDUAL DREAMS AND THE DREAMS FOR THE RELATIONSHIP

Gridlocked problems result from unmet or unappreciated dreams, apologize as needed and remember to address the dreams within conflict.
